

Jeff's Decade List

My decade lists for my 40s and 50s are both shown below. To-date (as of 17-April-2021) I have only completed 6 of 10 items from my 40s list but took the opportunity to complete one item from my 50s list early. With the second item from my 50s list now complete, I am left with 12 tasks yet to complete.
